

# Back to School with 2NDGEAR |

2NDGEAR provides classroom technology that helps students, teachers and faculty achieve their goals. Our full breadth of capabilities includes new or refurbished equipment, interactive displays, classroom furniture, software, parts, and accessories.

**Desktops, Laptops, & Chromebooks:**  
Powerful devices for both teachers and students that allow for seamless learning and collaboration.

**Interactive Displays/Smartboard & Tablets:**  
Innovative teaching tools that engage students, promote interactivity, and enhance learning outcomes.

**Monitors:**  
Clear displays that provide a crisp visual experience, ideal for presentations and online classes.

**Furniture, Peripherals, Parts, & Accessories:**  
A wide variety of parts and accessories that can help you keep your equipment in top condition, and optimize your technology investment.

**Servers, Storage, & Networking:**  
Reliable and secure infrastructure to manage and store critical data, and ensure fast and stable connectivity.

**Software:**  
Comprehensive software solutions that can automate processes, improve productivity, and help you manage your resources efficiently.
