

WHAT CAN WE DO FOR YOUR SCHOOL

SCHEDULE A **FREE** ON-SITE ASSESSMENT

Contrary to popular belief, a school building isn't quiet in the summertime! As you clean up and reassess between last school year and the one coming up, don't forget that Batteries Plus is here for you, with laser-focus on things like exit & emergency lighting, UPS backups, floor scrubber/sweeper machinery and so much more. We'll find your power & lighting solutions; you concentrate on the other stuff. Use your Batteries Plus Business account to take advantage of our contract pricing, locally available product & so much more.

[Login to your account](#) to start saving on everything you need for the summer season.
