

Your best choice for office furniture and FF&E installation services nationwide.

Flood Brothers is a long-standing leader in school and furniture installation services. Our installers are trained and certified for all manufacturers of both case goods and systems furniture. Because we have the market's largest team of experienced installers, we never have to subcontract to outside companies. As a leading [commercial moving company](#) Flood Brothers can confidently handle any size installation project.

Experts in school services:

- installation of new school furniture
- classroom relocation
- moving classroom furniture for floor cleaning
- installing outdoor playground equipment and benches
- certified to move server rooms & computer labs
- roll up and move large gym mats
- specialize in library & learning commons installation
- furniture repair

Flood Brothers believes in giving back to our community. Whether it be through our own programs like “Moving for the Cure” or “Computers for Youth”, where we help rebuild computers to donate to local schools, or through other charitable causes, we feel it is our responsibility to show good citizenship by giving.

We also helped in the creation of the Fountain of Hope food bank for the inner-city community and we help train and mentor young men and women from disadvantaged homes through the Covenant House.
