

Let ProQuest help with Back to School

Before you know it, students will be returning to school. Why not get ahead of the impending frenzy by securing your ProQuest database trials now? When the dust settles after the first hectic weeks of a new school year, you'll be ready to distribute a trial link to one or more of ProQuest's trusted research resources among your colleagues and teachers for evaluation.

Select the resources below that best match the assignments your library is called upon to support and we'll do the rest:

- **CultureGrams:** A leading reference resource for reliable cultural information on the countries of the world, U.S. states and Canadian provinces.
 - ✓ Ideal for country, state or provincial reports or rubrics.
- **SIRS Issues Researcher:** Help novice researchers in middle and high school understand and present on the major issues of the day.
 - ✓ Help students to 'slay' that argumentative essay or pro con assignment.
- **SIRS Discoverer:** A multidisciplinary database specifically designed for upper elementary and middle school learners, researchers, and educators.
 - ✓ Finding authoritative information to complete an animal report or famous person biography has never been easier.
- **eLibrary:** Empower novice researchers to efficiently choose their research topic and discover authoritative information to support their research claim in a vast aggregated collection of periodicals, books, and multimedia.
 - ✓ Your one-stop solution for addressing that career research assignment, environmental group project or National History Day essay theme.
