

"Yes, but did you know?"

Springshare Edition

LibGuides and LibGuides CMS are our most popular tools for MISBO members, but did you know that Springshare also offers a whole suite of tools & services designed just for libraries?

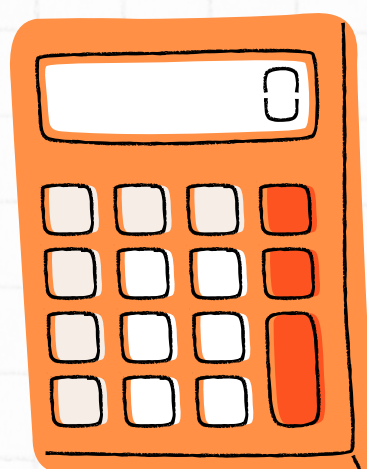

LibCal

Manage library events, room bookings, and appointment scheduling all from one platform! The add-on Lending Hub module makes it easy to lend out **Equipment** of any shape or size too.

LibInsight

Simplify collection, management, and analysis of your library statistics! Use our pre-built datasets or create your own custom datasets. Use interactive dashboards to share your data with stakeholders!

Consulting

Short on time, staff, or expertise? We've got you covered! Springshare offers tailored consulting packages to help you make the most of your Springshare apps.

MISBO + Springshare + Your Library =
A Winning Combination
