

Summer To-Do List

PRESENTED BY: 

- Review Loop's year-end survey data and reports to make data-driven decisions for next year**

Didn't use Loop this past school year? No worries! It's not too late to implement Loop for 2023-2024.

- Set up automations for the new school year**

Set up low lunch balance alerts, infraction alerts, attendance reports, + many more based on what your school needs!

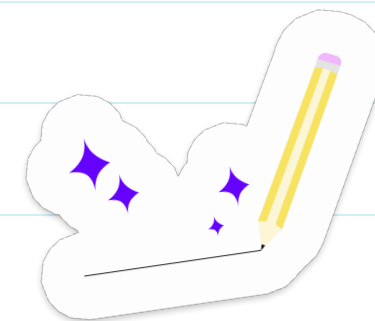

- Set up surveys for the new school year**

Get ahead of the curve by setting up stakeholder surveys to automatically run and collect data throughout next school year.

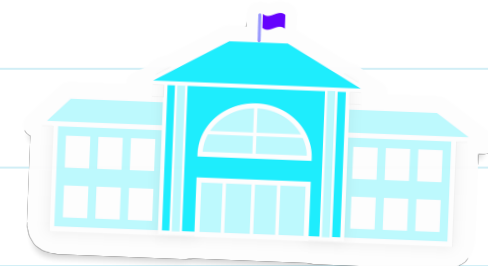

- Suggest a new feature**

Got a great idea for a new Loop feature? Let us know and we'll build it for you!

- Take a deep breath and let Loop make your school communications simple + efficient!**

You've got this! xoxo
