

SUMMER CHECKLIST

Hard Floor Care

MISBO Hard Floor Care Checklist for This Summer

Summer is here – and this is the time of year when the Custodial Teams are able to get big projects done!

During the break when students aren't on campus is the best time to focus in on the hard floor care project work which can help to make the floors shine for the school year. The Custodial Team is making its list and checking it twice to gather the supplies needed to make the floors look extra nice!
